Dear parents and caregivers,

I would like to thank those who attended our first assembly and Open Classroom event last Friday afternoon. It was great to have so many parents, caregivers and extended family members come and show your support to our students.

I would also like to congratulate Grace, Adele and Ruby on their School Values awards. I look forward to continuing to work with our staff and students as we promote the values of Respect, Responsibility and Kindness across our school community.

### School Newsletter Communication:

From week 9 of this term the school will be transitioning to using Microsoft Sway for the distribution of our Newsletter. Sway is a digital platform which will provide you with easier access to reading and interacting with content from our Newsletter. We will continue to distribute our Newsletter via a link in SeeSaw as well as printed copies for those who request them. Stay tuned for the new Newsletter in our next addition in week 9.

### NAPLAN:

During weeks 7 and 8 our year three and five students will be participating in NAPLAN assessment. If you have any questions about the assessments or would like more information, feel free to speak to your child's classroom teacher/s or myself.

### Sports Day:

A reminder to all families that our school sports day is next Friday the 15<sup>th</sup> of March. I would also like to congratulate our recently elected sports captains Eleni and Ryley (Leake) and Hunter and Jake (Edward).

### Student Representative Council (SRC) Representatives:

Congratulations to Ryley, Eleni and Ella who are our Upper Primary SRC representatives for 2024. Joining them from Middle Primary will be Braxton, Hugh and Hunter. I look forward to working closely with our SRC throughout the year.

### School Volunteer Jobs – Help Needed:

We are looking for parent/caregiver help with shifting gravel from the staff car-park. The job will entail digging up dirt next to the orchard, then laying plastic before shifting the gravel to this area. We also need a 'handy' person to assemble a trolley to store our hurdles & a shelving unit in the sports shed. If you are willing to donate some time to help with these jobs, please come in and speak with either Jacqui or myself.

# Health & PHYSICAL EDUCATION

During our health lessons we have been learning about the Zones of Regulation. We have started to tune into our emotions and find ways to describe them. In some classes we have also been using our relaxation time to practice our breathing and focusing techniques. During our Physical Education lessons we have been practicing events for Sports Day and refining our techniques. So far we have completed lessons on Shot Put, Discus, Long Jump, Tunnel Ball and Soccer Dribble. I am sure the students would be happy to demonstrate these skills at home and get some extra practice in.
